*"Now there are varieties of gift, but the same Spirit; and there are varieties of services, but the same Lord; and there are varieties of activities, but it is the same God who activates all of them in everyone. To each is given the manifestation of the Spirit for the common good. All of these are activated by one and the same Spirit, who allots to each one individually just as the Spirit chooses. Indeed, the body does not consist of one member, but of many"*
